VIEW FROM THE PRO-SHOP

It's been a busy month at the golf club since our last Newsletter. The combination of Competitions, Interclub matches and visiting groups and societies has generated great atmosphere around the place. We have many groups visiting Enniscorthy for the first time this year, thanks in no small part to the efforts of Tom Furlong and they have been fulsome in their praise for every facet of our club.

Our interclub teams are in fine form this year in both the Mens and Ladies sections – Watch out for upcoming matches, and try and come along to support the club.

Finally the course is in magnificent condition at the moment so if you haven't played much this year it's a great time to start now!!

NEW MEMBERS

Do you know anyone you think might like to give golf a try? If you do we have a series of programmes this year designed to give the potential member you may know a taste of what the sport has to offer.

Over the course of the season we will be running a series of 'Get into Golf' programmes for both Male and Females. These programmes are run over a series of weeks and will include Coaching, on course scrambles and plenty of social banter in the Clubhouse. There will be a nominal fee to take part that represents incredible value for what the programmes offer.

We have run a couple of these already this year and the response from participants has been incredible, so get thinking about who you know that might like to give golf a go

MOTOCADDY S1

Our Motorised trolley in the Pro Shop this year has been an unparalleled success – The Motocaddy S1 ticks all the boxes a golfer looks for in a trolley – light, easily folded, reliable and extremely slick looking. If you are thinking about changing your trolley why not come in and try our demo model.

2ND HAND GOLF TROLLEYS

We have 2 second hand motorised trolleys to sell – these trolleys come without battery so may be ideal for someone whos trolley has packed in. These will be great value so contact us in the shop for more details

WHY PURCHASE IN THE PRO SHOP?

There are many options available to you when you decide to purchase new Golfing equipment – Major Retail outlets, Online Shopping or indeed your local Pro Shop. The support you all give the Pro Shop is greatly appreciated and allows us to improve our overall service to you the members.

Here are just some of the things we can offer you..

- We will Price match any advertised price elsewhere
- We feel buying something from your Pro Shop is a long term transaction – We'll be here afterwards happy to help, amend or advise you regarding your purchase
- We won't rush you through the buying process – We appreciate how important it is to make the *right* purchase
 - We will custom fit on all hardware free of charge
 - We don't delay on dealing with returning products
 - If we don't stock it, we'll get it
 - It's always nice to shop local 😊

Next time you're purchasing, give your Pro Shop the first call

ENNISCORTHY JUNIORS

Junior golf is back this year with a bang in Enniscorthy Golf Club. Our Spring Coaching camps have been great fun with an all time record 34 newcomers. If you've heard little voices shrieking and laughing on Saturday afternoons over the last month its no doubt coming from the boys and girls camped on the range.

It's great to see such enthusiasm, camaraderie and enjoyment coming from our golfers of the future – we hope to see them walking our fairways for many years to come!!

A big, big thank you to our President Jim Hogan and Mary Halligan for giving so much of their time to help out

We'll have more coaching every Wednesday in the summer so if you know anyone who'd like to give it a go let us know. Also if you would like to join our Junior WhatsApp info page contact the Pro Shop

NEW BALL MACHINE

We've purchased a new ball machine for our driving range. Our new machine is located beside the Pro Shop instead of up on the Range.

Tokens and baskets can be purchased in the Shop prior to use

We would ask all members to refrain from, and discourage others from picking balls up themselves from the Driving range

STEPHENS TIP OF THE WEEK

This weeks tip is dedicated to all those who've forgotten where the 16th Fairway is!!

DON'T STEER YOUR SHOTS

With any shot in a round of golf it goes without saying that accuracy is the most important thing. When you're swing is slightly off or you're lacking in confidence the easiest thing to do to achieve this is to try and 'steer' the ball in your intended direction.

Unfortunately, in doing this you tend to grip the club too tightly and your swing inevitably becomes too stiff and too short – not a recipe for accuracy!

The best golf swings we make and consequently the most accurate shots are full and free flowing with relaxed muscles and relatively light grip pressure.

- **Stand behind the ball, visualise the shot you want to hit and count to 5**
 - **Over the ball relax your grip pressure and breath**
 - **Take the club away slowly with little pressure**
 - **Commit to the shot and stay with it**

The next time you're tempted to 'steer' the ball to safety, remember the above ingredients that make a good golf swing and trust it.
