VIEW FROM THE PRO-SHOP

The 'official' golfing season starts next week with the US Masters at Augusta. The seasons first Major Championship generally coincides with better weather, playing the ball as it lies, qualifying competitions and interclub matches – all of which lay in wait for us over the coming weeks.

There has been plenty of activity in the club recently, with new faces taking part in our 'Get into Golf' programme, new stock filling up the Pro-Shop and plenty of exciting events planned, both on and off the course.

If you're one of those fair weather golfers who've been hiding away for the past few months its high time you dusted down the clubs, put your name on the timesheet and come down and enjoy the marvellous facilities available to you at Enniscorthy GC

NEW MEMBERS

Do you know anyone you think might like to give golf a try? If you do we have a series of programmes this year designed to give the potential member you may know a taste of what the sport has to offer.

Over the course of the season we will be running a series of 'Get into Golf' programmes for both Male and Females. These programmes are run over a series of weeks and will include

Coaching, on course scrambles and plenty of social banter in the Clubhouse. There will be a nominal fee to take part that represents incredible value for what the programmes offer.

We have run a couple of these already this year and the response from participants has been incredible, so get thinking about who you know that might like to give golf a go

THE PAR 27 PUTTING CHALLENGE

I've Spoken before about the need to measure your practice and the value of competing against yourself over a period of time. I've also said on this forum many times about the value of putting practice and how it can transform your scores. Here's a drill our players regularly use to a) practice their technique and b) measure their progress. It's called Par 27 Putting and it takes 5 minutes

Go to the Putting green with 6 golf balls

- **Find a relatively straight area of the putting green approx. 30 ft. long**
- **Hit 6 putts from 3 feet. You are expected to hole all 6 in one = par 6**
- **Hit 6 putts from 8 feet. You are expected to hole 3 and 2 putt 3 = par 9**
- **Hit 6 putts from 30 feet. You are expected to 2 putt all of them = Par 12**
- **TOTAL PAR = 27**

A score of 27 or better = You are an outstanding Putter

A score of 27-32 = You are a reasonable Putter

A score of 32-35 = You need to work on your putting

A score of 35 or more = You need to book a lesson 😊

It's a great way to improve your putting if you do it regularly.

Good Luck!!
